

Appendix to Bulletin No.2

Issued 16.10.2018

PAN AMERICAN
CLUB CREW CHAMPIONSHIPS
PIGEON POINT, TRINIDAD & TOBAGO
2019

Appendix to Bulletin No.2

Following the release of Bulletin No.2, some clubs sought further details or clarification with regard to some areas of information contained in the Bulletin. These details would have been important for those clubs when considering their provisional entries.

In order to address these enquiries and provide their respective answers, we present the following Q & A list.

Question: What is the amount of the Registration Deposit?

Answer: The Bulletin refers to a Crew Registration Deposit of “USD \$300 per CREW”. However, we recognize that this could be very difficult for some clubs to manage (especially those registering several crews), at the time when the deposit is required. This requirement has therefore been changed to **USD \$300 per CLUB**.

Question: What currency is to be used for the respective payments?

Answer: The Bulletin identifies the currency in those areas where payments are required.
USD = U.S. Dollars. TTD = Trinidad & Tobago Dollars.

Question: In the Competition Classes, what does “Junior” mean?

Answer: Our apologies! This was not appropriately listed in the Provisional Entries Questionnaire. Junior refers to a person who will be under sixteen years of age on December 31st. 2019.

Extension of Provisional Entries Deadline

We hope that this information has been useful and that those clubs that have not submitted provisional entries due to uncertainty about the areas addressed, can now make more informed decisions.

To this end, we have extended the deadline for submission of provisional entries to October 31st.

Clubs that have already submitted provisional entries and wish to amend their entries based on the information provided are welcome to do so by completing the Provisional Entries Questionnaire (see link below).

To submit Provisional Entries and to amend entries: <https://www.surveymonkey.com/r/L23V6DR>
