Invitation and Informational Bulletin 1

Message from the President

Fellow Dragon Boaters,

The 2019 USDBF Club Crew National Dragon Boat Championships are coming up in a matter of months. The Directors and Volunteers of the USDBF have been busy preparing for this event. Club Crews from all over the USA will come to Prospect Lake at Memorial Park in Colorado Springs, Colorado on the 24th and 25th of August 2019 to compete for the title of National Champion in their respective divisions. In addition, the top three crews in each division will win an invitation to the Club Crew World Championships held in France in 2020 in either a standard or small boat division. There will be three berths available, one standard and two small boat berths. The winner will have a choice of a small or standard boat berth. Second place will select one of the remaining two berths, and the final berth will be offered to the third place crew in each division. Teams are expected to arrive for practice on Friday August 23rd and should plan for two full days of racing. Additionally, we will be offering a USDBF official's course on the 23rd. Check our website, www.usdbf.org for more information.

We look forward to seeing you in Colorado Springs next August.

Paddles up!

USDBF Club Crew National Championships

The 2019 CCNC are for true club teams based in the United States. A club team is defined as any crew that regularly practices and races together. All members of the club must reside close enough to practice regularly with the club and hold membership with the club for at least six months prior to 2019 CCNC. If your club has members with addresses that do not appear to be from the same area as the club, be prepared to send documentation to justify their inclusion along with the roster, in advance, based on the above requirements. We will follow the IDBF guidelines regarding club membership.

Please see the IDBF regulations below

4.3 Club Crews. *In IDBF Championships for Club Crews a Racer can only represent one Dragon Boat Crew. The rules for National Crew Representation need not apply but all competitors must have been bona fide members of the Dragon Boat Crew that they represent, for at least SIX (6) months before the Club Crew Championships in question. 4.3.1. A bona fide Club Member is one that has regularly trained and/or competed for the Club Crew that they represent during the minimum period of six months shown in 4.3. A bona fide Club Member will normally be resident in the Country in which the Club Crew is located. A Club Member who trains and competes with a Club Crew from a different Country or Territory or a geographical Region within a Country to the one in which the Club Member himself (or herself) is normally domiciled, will only be considered as a bona fide Club Member if they can prove that they have physically attended their Club to train or compete for a period or of at least twelve (12) weeks, over a minimum period of two (2) racing seasons. (Nov 06)*

This year, the National Champions will be decided based on 200, 500 and 2,000 meter races. The 2019 CCNC will be conducted under the IDBF Competition Regulations and Rules of Racing. Teams will be awarded points based on performance in each competition class (distance).

In addition, there will be an event for BCS crews. In recognition of Dana Nelson, the BCS Cup Challenge will be continued. Dana’s contribution to the BCS division is well known, and this is a Memorial Cup that will be given each year in her honor. This will recognize the National Champion in the BCS division.
